

adi_imu::RosTask

```
classDiagram
    class adi_imu_RosPublisherGroup_Interface["adi_imu::RosPublisherGroup Interface"]
    class adi_imu_RosTask["adi_imu::RosTask"]
    adi_imu_RosPublisherGroup_Interface --|> adi_imu_RosTask
```

The diagram illustrates an inheritance relationship. A light gray box at the bottom represents the base class, 'adi_imu::RosPublisherGroup Interface'. A blue arrow points upwards from this box to a white box at the top, which represents the derived class, 'adi_imu::RosTask'. This indicates that 'adi_imu::RosTask' inherits from 'adi_imu::RosPublisherGroup Interface'.
