

adi_imu::RosTask

```
classDiagram
    class adi_imu__ImuDiagRosPublisher_Interface["adi_imu::ImuDiagRosPublisher Interface"]
    class adi_imu__RosTask["adi_imu::RosTask"]
    adi_imu__ImuDiagRosPublisher_Interface --|> adi_imu__RosTask
```

The diagram illustrates an inheritance relationship. A light gray box at the bottom represents the base class, 'adi_imu::ImuDiagRosPublisher Interface'. A blue arrow points upwards from this box to a white box at the top, which represents the derived class, 'adi_imu::RosTask'. This indicates that 'adi_imu::RosTask' inherits from 'adi_imu::ImuDiagRosPublisher Interface'.
