

adi_imu::ADISRegisterMap

```
graph BT; A[adi_imu::Adis1655xRegisterMap] --> B[adi_imu::ADISRegisterMap]
```

The diagram illustrates an inheritance relationship between two classes. At the bottom, a dark gray box contains the text 'adi_imu::Adis1655xRegisterMap'. A blue arrow points vertically upwards from this box to a light gray box at the top, which contains the text 'adi_imu::ADISRegisterMap'. This indicates that 'adi_imu::Adis1655xRegisterMap' inherits from 'adi_imu::ADISRegisterMap'.
